The ratio will depend on the risk, the location and the quality of supervision.
9. People under 18 or accompanied by preschoolers are not suitable as helpers for EOTC.

EMERGENCY DRILLS

NAG: 5, Health and Safety

FIRE

The continuous ringing of the school electric bell or hand bell will signify that there is a fire in the school. In all situations the “commonsense initiative” of classroom teachers will be the overall guiding factor in this organisation.

Teachers will discuss this procedure with their pupils at least once a term.

1. Children will move quickly and in an orderly manner to their emergency assembly positions near the boundary fence at the Henderson Creek side of the field (see diagram).
2. Teachers will quickly check toilet areas to see if there are children in these areas.

- c) A Fire Drill will be held at least twice a year.

EARTHQUAKE/VOLCANIC ERUPTION

Emergency procedures for an earthquake or volcanic eruption will depend on the severity of the activity near Matipo School. Once again the outlined procedure will be guided by the “commonsense initiative” of classroom teachers.

In general, teachers will have to take into account the following possible dangers:

1. Falling heavy materials
2. Falling and breaking glass
3. Electrical problems (e.g. wires)
4. Water levels from Henderson Creek
5. Plumbing problems
6. Sewerage problems.

The following procedures are suggested. These should be discussed regularly with pupils.

1. Children to take cover:
 - a) Under their desks
 - b) In cupboards
 - c) Under doorways
 - d) Away from breaking windows or falling debris.
2. When the activity has ceased, and on the initiative of the classroom teacher or the continuous ringing of the electric bell or hand bell, the class will move to the emergency assembly positions.
3. The same procedure as for the Fire Drill will then be followed.

ENROLMENT OF PUPILS AND MAINTENANCE OF ATTENDANCE RECORDS POLICY

Nag 6. Compliance

RATIONALE

Enrolment procedures ensure that students entitled to attend school have right of access and that their safety and attendance is regularly monitored. Enrolment of children at Matipo School is also governed by an Enrolment Scheme which consists of a home zone and procedures for enrolling out of zone students.

GUIDELINES

1. Enrolment of students in the Home Zone is as of right. All out of zone applications for enrolment will be determined as outlined in the Enrolment Scheme.

- c. The disclosure should contain the following information:
 - i. The nature of the serious wrongdoing

The Act does not protect you if you disclose information to the media, or to a member of Parliament other than a Minister of the Crown, in the aforementioned circumstances.

Finding out more information

- j. If you notify the Office of the Ombudsman verbally or in writing that you have disclosed, or are considering a disclosure under the Act, they must provide information and guidance on a number of matters including those discussed here, and the protections and remedies available under the Human Rights Act if the disclosure leads to victimisation.

- 1 Formal Teacher appraisal will be carried out once a year.
- 2 Teacher appraisal criteria will include opportunity for self-appraisal.

- 4 Opportunities for professional development should be available for both extension of an existing strength and to assist any training needs.

THE JOB DESCRIPTION

This outlines the conditions of employment and the expectations of teachers employed by the Matipo School Board of Trustees in terms of primary responsibilities as teachers, in a general sense, the expected duties of a classroom teacher and the professional and administrative duties undertaken.

TEACHER DISCIPLINE AND COMPETENCY

NAG: 3, Employment and personnel

RATIONALE

As the employing authority the Board of Trustees has ultimate responsibility for teacher discipline. This will be delegated in the first instance to the Principal who will report to the Board of Trustees all matters concerning teacher discipline. The Board has the authority to dismiss teachers and to refer matters to other authorities for action. Matters concerning teacher competency are the sole responsibility of the Principal only.

POLICY

(NB. The NZEI contract is the source of most of this policy.)

2. The specific nature of the concern shall be notified in writing to the teacher and a reasonable time given for the teacher to respond.
3. The teacher shall be given notification of any corrective action required to amend their conduct and be given a reasonable opportunity to do so.
4. Before any substantive disciplinary action is taken, an investigation will be undertaken by a sub-committee consisting of the Principal and two BOT members, one of whom must be the Chairperson.

Suspension from duty will only result after an emergency Board meeting at which the minimum quorum of five members is present. Such a Board meeting will be held "in-committee" but with full minutes taken and held.

8. A teacher in this position must be advised of their right to pursue a personal grievance procedure.
9. Nothing in this policy prevents instant dismissal without notice in the case of serious misconduct.
10. Any complaints against teachers are dealt with by the Principal and are covered by the Board's Disputes policy.
11. Matters to do with teacher competency are dealt with by the Principal.

12. The teacher will be advised in writing of the specific matter causing concern, of the corrective action required and the time frame allowed.

- iii. Decide on the initial actions to be taken including consulting with the person who provided the information and, if appropriate, confidentially consulting with other senior members of staff about the person who is the subject of the allegation.
 - iv. Inform the Board Chairperson of the information received and consult with them as appropriate.
 - c) On the basis of advice received and after consultation with the Board Chairperson, the Principal shall decide whether or not a prima facie case of theft or fraud exists, and if not, to document this decision and record that no further action is to be taken.
