

MANAWEALTH GAMES 2018

On Thursday 12th April we will be holding the very first Manawealth Games!!

All of the Mana children will be involved in a range of wacky Commonwealth events throughout the day. We will be exploring the Matipo values of Ako, Wero and Manaakitanga while taking part in these events.

The children will be assigned to their 'countries' to align with their whanau houses, as follows and we'd love the children to dress up accordingly:

The Kikorangilands

New Wheroland

Kingdom of Kakariki

United States of Kowhai

At lunchtime we will enjoy a shared lunch together, and we ask that each child brings something small to contribute - please nothing that needs to be heated.

MATIPO VALUES:

Ako - learning together

Aroha - caring for each other

Kaitiakitanga - guardianship

Manaakitanga - respecting & valuing each other

Wero - accepting challenge

Whanaungatanga - connecting with & respecting our whanau, community & culture
