Room 25 - Lise Ioane - PRT

Room 26 - Grace Smith - Co leader Mana team, Enrichment programme / Natalie Kennerley - AP / Leader Mana team

Room 27 - Mitchell Osborn - PRT

The Mana team have worked many hours during the school holidays to prepare their classrooms for the 2018 year. All of the teachers have worked hard to ensure that their classroom environment is of a high standard and there has been a high level of cooperation amongst staff to get this done.

We have had a very positive team meeting to plan events, expectations and programmes for the year and teachers are working well together to cater for student needs in effective and collaborative ways.

We are really looking forward to an exciting and successful year.

So far, we have the following planned for our students:

- Camp Adair - three nights in Hunua
- Trip to Art Centre
- Enrichment programme - Wednesday afternoons
- STEM (Science, Technology, Engineering & Mathematics) Challenge day
- Cross grouping to cater for student needs
