

Does your Year 3/4 child love playing in water?
Is your child looking for a sporty option in 2019 that doesn't involve running? ☺

Waitakere Water polo are running a West Auckland Flippa Ball league in 2019. Flippa ball is a kids version of water polo where you can stand on the bottom of the pool. If your child wants to progress on to water polo as they get older they can.

My son wants to play but you have to be part of a school team of about 6 or 7 kids aged 7,8 or 9. I will volunteer to manage/vaguely coach but the club will also be able to help us with coaching.

Time: Sunday afternoons (I believe they have the pool from 3pm but will have to confirm this)

Location: Peninsula Primary School

Cost: \$450/team/term (that's \$65 per person per term if we have 7 kids)

Does anyone want to join us? If you do or just want more information please email me
